JOG MEMBERS
FINANCIAL AID DIRECTORS

File input specifications for the Student Financial Support file of the Corporate Student System
have been revised. Two changes have been made.

The first change to the input files is the inclusion of a new data element named:

R220 Summer Weeks Enrolled

The element is included in the new file layout in positions 140-141. The data element definition
sheet may be obtained at http://www.ucop.edu/irc/campus_specs/css/sumwks.pdf. While this
change is officially effective with the files to be submitted for October 2001, we will be able to
accept this information effective with the May 2001 files so please include the element if you are
able.

The second change is the addition of ten new award codes for various scholarship and grant
programs. These codes may be obtained at
http://www.ucop.edu/irc/campus_specs/css/newawdcodesmay2001.pdf. These additions are
effective immediately.

The complete set of Corporate Student System specifications may be downloaded from our web
site at http://www.ucop.edu/irc/campus_specs/css. If you have any questions about these
specifications, please contact Mike Clune at (510) 987-0394 or michael.clune@ucop.edu.
