JOG MEMBERS
REGISTRARS

A minor modification has been made to the file input specifications for the Health Science Resident file of the Corporate Student System. This file is submitted by Berkeley, Davis, Irvine, Los Angeles, San Diego, and San Francisco only.

Data element **H350 – Full-Time Code – Residents**, has been moved from space 142 to space 130.

The new record layout may be obtained at http://www.ucop.edu/irc/campus_specs/css/cssres-layout-091001.pdf. This change is effective for the files to be submitted for Fall 2001.

This change was necessitated by the addition of summer-specific data elements to the Third Week and End of Term registrant files. The layouts of these files and the Resident file match each other.

The complete set of Corporate Student System specifications may be downloaded from our web site at http://www.ucop.edu/irc/campus_specs/css. If you have any questions about these specifications, please contact Mike Clune at (510) 987-0394 or michael.clune@ucop.edu.
