

## **Degree Conferred File**

### **Degree Input File Overview**

The degree input file specification provides the ability for campuses to submit degree data that contains data for each degree granted to persons in the population during the period specified. If a person receives multiple degrees a corresponding number of degree records should be supplied.

### **Schedule**

This file is submitted twice a year:

- Fall, Winter and Spring degrees for one academic year must be submitted around September 15th of the next academic year. Example, Fall 2017, Winter 2018 and Spring 2018 degrees must be submitted by September 15th, 2018.
- Summer degrees must be submitted by December 15th of the current academic year. Example, Summer 2018 degrees must be submitted by December 15th, 2018.
- Retroactive degrees are accepted on the current submission for years 1999 to the previous year of current file. Degrees reported for years prior to 1999 will be rejected. Retroactive degrees conferred for Fall, Winter, and Spring should be reported only on the Annual Degrees Conferred file with the actual year the degree was conferred and term equal to either '2', '3', or '4'. Retroactive degrees conferred for Summer should be reported only on the Summer Degrees Conferred file with the actual year the degree was conferred and term equal to '1'.

### **Degree Input File Physical Characteristics**

#### **File Name:**

- Academic Year Degrees: CSSDEG.Yyyyy (in uppercase) - Fall/Winter/Spring file where yyyy = current calendar year
- Summer Degrees: CSSDEG.Q1yy (in uppercase) - Summer file where yy = two-digit current calendar year

**Record Format:** Fixed Length

**Record Length:** 441 [Any file with a different record length will be rejected]

**Sequence:** Ascending sequence sorted by Record Type Code-Student, Identification Number-Student, Year Registered, Term Registered Code, Degree Awarded Code

**Transmission:** The input file is transmitted via UC PCSSC Production Go Anywhere VSFTP process. Please contact your campus Managed File Transfer personnel for file transfer matters. The contact list can be found on page 4 of the [VSFTP Migration Presentation](#). For more information on Production Control Shared Services (PCSSC) and the new vsftp transmittal process, visit: <https://pcssc.berkeley.edu/>
