Re: Changes to Race/Ethnicity Input Specs for CSS Registration Third Week, End of Term and Health Sciences Resident Files

Dear Colleagues:

To comply with the U.S. Department of Education’s new Race/Ethnicity (R/E) data collection and reporting requirements, and after consultation with the Registrars, UCOP is requesting that 6 new R/E data elements be added to the Registration Third Week, End of Term and Health Sciences Resident input files. These requirements include collecting R/E data through a mandatory two-part question and reporting a new multiple race category.

In addition, UCOP is requesting 40 additional R/E data elements that will allow UCOP and the campuses to collect single and multiple race data at a level of detail sufficient to preserve current R/E reporting and enable flexibility in multiple R/E reporting. The element named “Ethnic Origin Code-Student,” Ref. No. H030 will no longer be used.

In summary, UCOP is requesting a **total of 46 new R/E data elements** be added to the Registration Third Week, End of Term and Health Sciences Resident input files, and the element named “Ethnic Origin Code-Student,” Ref. No. H030 no longer be used.
