Re: 2007-2008 Changes to Undergraduate Admissions Input Specifications

Dear Colleagues,

As announced in Liz Tamayo’s recent e-mail to the Assistant/Associate Admissions Directors and their technical staff, the 2007-2008 changes to the Undergraduate Admissions Input Specifications are as follows:

1. Obsolete data items

We are no longer requiring the following data items:

<i>Ref</i>	<i>Element Name</i>	<i>Loc</i>	<i>Len</i>
F430	Index Score Total	382	4
T040	Veteran Status Code	57	1

You may replace these data items with blanks of equal length at your convenience.

2. Changed Values for data items

<i>Ref</i>	<i>Element Name</i>	<i>Loc</i>	<i>Len</i>	
T180	SIR Response Code	189	1	7 = Shared Experience (Receiving Campus) 8 = Shared Experience (Sending Campus)
T190	Admit Status Code	203	2	51 = Admit – Shared Experience
T110	Entry Level Writing Req Code (formerly Subject A Req Code)	151	1	X = Satisfaction by International Baccalaureate – Higher level (HL)

3. New values for existing data items

<i>Ref</i>	<i>Element Name</i>	<i>Loc</i>	<i>Len</i>	<i>New value</i>
T120	Applicant Type Code	153	2	03 = Academic Year Rollover
T110	Entry Level Writing Req Code (formerly Subject A Req Code)	151	1	S = Satisfaction by International Baccalaureate – Standard level (SL) D = Score of 680 or better on SAT II Writing Test

4. New group edit

Group edit 71: If T190 (Admit Status Code) = ‘04’, ‘05’, ‘06’, or ‘26’ then N060 (Identification Number - Applicant) must not be blank.
